A SUCCESS STORY

Macron was founded in Bologna, Italy in 1971 and started its business as a sporting goods shop.

In the 1980s, Macron transformed from a sporting goods shop to a small manufacturing company and began producing garments for the leading sportswear brands of the time, such as Champions. Later, in the 1990s, Macron created its own brand and combined production for other brands with that of its own brand.

Macron's adventure in professional soccer began in 2001 with its first sponsorship of a top club: Bologna FC 1909. Since then, Macron has sponsored more and more clubs and federations around the world, in many disciplines. Today, Macron is the technical sponsor of more than 100 professional clubs, national teams and federations of different sports in over 25 countries.

The journey of growth and success has spanned over 50 years, leading to remarkable results. Since 2004, our turnover has surged from €10 million to 226 million by 2024, with over 80% of our revenue generated from international markets.

La société Macron a été fondée à Bologne, en Italie, en 1971, et a démarré ses activités en tant que magasin d'articles de sport.

Dans les années 1980, Macron s'est transformée en une petite entreprise de fabrication et a commencé à produire des vêtements pour les grandes marques de vêtements de sport de l'époque, telles que Champions. Plus tard, dans les années 1990, Macron a créé sa propre marque et a combiné la production pour d'autres marques avec celle de sa propre.

L'aventure de Macron dans le football professionnel a commencé en 2001 avec son premier parrainage d'un club de haut niveau: Bologna FC 1909. Depuis, Macron a sponsorisé de plus en plus de clubs et de fédérations dans le monde entier, dans de nombreuses disciplines. Aujourd'hui, Macron est l'équipementier officiel de plus de 100 clubs professionnels, équipes nationales et fédérations de différents sports dans plus de 25 pays.

Le chemin de la croissance et de la réussite s'est étalé sur plus de 50 ans, aboutissant à des résultats remarquables. Depuis 2004, notre chiffre d'affaires est passé de 10 millions d'euros à 226 millions d'euros d'ici à 2024, plus de 80 % de nos revenus étant générés par les marchés internationaux.

BUSINESS STREAMS

Macron develops its business through three key streams:

Technical sponsorships: strategic partnerships established with sports teams, athletes, and organizations, where Macron provides high-performance sportswear, equipment and apparel tailored to the specific needs of each partner. As part of these agreements, Macron provides teams with fully customized match-day, training, and leisure apparel designed to deliver maximum performance, comfort and style, all while prominently featuring the Macron brand. This business stream not only enhances brand visibility but also reinforces Macron's position as a leading innovator in sportswear.

The Teamwear collections offer a comprehensive range of products for matches, training sessions, and leisure, distributed globally through a monobrand network of over 170 Macron Sports Hubs and selected multibrand stores.

Individual: dedicated to develop cutting-edge products for individual athletes and sports enthusiasts, Macron's Individual lines aim to elevate both performance and lifestyle

- **Padel and Activewear:** these state-of-the-art apparel and equipment offerings seamlessly blend Italian style with functionality, providing athletes with high-performance gear that looks as good as it feels.
- **Clubhouse:** with the launch of this high-end "Beyond Performance" collection, Macron boldly enters the fashion world. Clubhouse represents the perfect fusion of sport and lifestyle, combining the excellence of technical, high-performance fabrics with the allure of glamour, fashion and iconic Italian style. This innovative collection redefines sportswear, infusing performance-driven DNA into everyday life. Clubhouse is more than just a line of clothing; it's a community of individuals who share a passion for sport, its core values, and a love for beauty and distinctive style. It's where the spirit of sports and performance meets bold, innovative design.

Macron développe ses activités à travers trois grands secteurs d'activité:

Sponsoring technique: *Sponsoring technique: partenariats stratégiques avec des équipes, des fédérations et des organisations sportives, où Macron fournit des vêtements de sport, des équipements et des articles de haute performance, adaptés aux besoins spécifiques de chaque partenaire. Dans le cadre de ces accords, Macron fournit aux équipes des vêtements entièrement personnalisés pour les matchs, l'entraînement et les loisirs, conçus pour offrir un maximum de performance, de confort et de style, avec la marque Macron bien en évidence. Cette activité commerciale accroît non seulement la visibilité de la marque, mais renforce également la position de Macron en tant qu'innovateur de premier plan dans le domaine des vêtements de sport.*

Teamwear: *collections de vêtements et d'équipements de sport personnalisables et de haute qualité pour les équipes de tous niveaux - des professionnels aux amateurs - dans un large éventail de sports. Les collections Teamwear comprennent une offre complète pour les matchs, l'entraînement et les loisirs, et sont distribuées dans le monde entier par le biais d'un réseau monomarque de plus de 170 Macron Sports Hubs et de boutiques multimarques sélectionnées.*

Individual: *Dédiées au développement de produits de pointe pour les athlètes individuels et les passionnés de sport, les lignes Individual de Macron visent à élever à la fois la performance et le style de vie.*

- **Padel et Activewear:** *vêtements et équipements de dernière génération alliant style italien et fonctionnalité, fournissant aux athlètes des articles performants qui offrent confort et design.*
- **Clubhouse:** *avec le lancement de cette collection, Macron fait son entrée dans le monde de la mode. Clubhouse représente la fusion parfaite entre le sport et le style de vie, associant l'excellence des tissus techniques de haute performance à l'attrait de la mode et du style italien emblématique. Cette collection innovante redéfinit le sportswear, en insufflant l'ADN de la performance dans la vie de tous les jours. Clubhouse est plus qu'une ligne de vêtements; c'est une communauté d'individus qui partagent une passion pour le sport, ses valeurs fondamentales et un amour pour la beauté et d'un style distinctif. C'est dans cette collection que l'esprit du sport et de la performance rencontre un design audacieux et innovant.*

WASHING INSTRUCTIONS

All products are made to meet the highest standards and are subject to strict quality control procedures. Garments however can discolour due to substances such as mud and grass, liniment or oil, and of course perspiration, all of which may not be fully removable by washing. The extent of discolouration can be greatly reduced by following a few simple procedures. Soaking and/or washing the garment in water and detergent as soon as possible after use can reduce discolouration, using at least the same volume of water as the garment being treated. Always follow detergent manufacturers instructions, especially those intended to tackle heavy stains and avoid products containing bleach. Macron cannot accept any liability for discolouration or damage to garments resulting from staining caused by elements foreign to the materials used in manufacture.

Les produits Macron sont réalisés suivant des standards élevés et sont soumis à des procédures sévères de contrôle qualité. Les vêtements peuvent subir une décoloration au contact de substances comme la boue ou l'herbe, le liniment ou l'huile et naturellement la sueur; ils risquent même de disparaître complètement durant le lavage du vêtement. L'extension de la décoloration pourra être réduite en mouillant et/ou en lavant le vêtement avec de l'eau et du détergent, immédiatement après son utilisation, dans un volume d'eau égal au volume du vêtement traité. Toujours suivre les instructions des fabricants de détergent, en particulier celles des détachants, et éviter l'utilisation de produits contenant de l'eau de Javel. Macron décline toute responsabilité en cas de décoloration ou de dommage subi par le vêtement, en raison de taches dues à des éléments étrangers à ceux utilisés en phase de production.

TAILORED DESIGN TO FOLLOW YOUR MOVEMENTS

The PERFORMANCE products are designed specifically taking into account the morphology of the athlete. The gradual elasticity of the garments supports the muscles and accompanies every movement like a second skin, allowing freedom of movement and a high comfort feeling. The PERFORMANCE line is suitable for all kinds of sports.

DESIGN SUR MESURE POUR SUIVRE TES MOUVEMENTS

Les produits PERFORMANCE ont été étudiés ad hoc en tenant compte la physicité de l'athlète. La grande élasticité des tissus soutient la musculature et accompagne chaque mouvement comme une seconde peau, garantissant une grande liberté des mouvements et une agréable sensation de confort. La ligne PERFORMANCE est adaptée à tous types de sport.

BORN FOR SPORT

The PERFORMANCE products are made of Nylon 6.6 to ensure lightness, dimensional stability, elasticity and a greater resistance to wear. Thanks to this fabric, the items dry quicker and are easier to maintain making them indispensable for those who practice sports.

NÉ POUR LE SPORT

Les produits PERFORMANCE sont composés de Nylon 6.6 (polyamide respirant) qui garantit au corps légèreté, stabilité dimensionnelle, élasticité et une plus grande résistance à l'usure. Grâce à cette technologie Nylon 6.6, l'entretien des vêtements est facilité et le séchage plus rapide créant ainsi un produit indispensable pour qui fait du sport.
